Here Comes The Fun Time of PARC

Are You Ready For Field Day?

According to Don Renze, 2017 Field Day Chairperson, everything is on track for Field Day. Set up will begin Friday night, June 23rd and continue Saturday morning. Larry Martens is working on repairing a grill for the 6 p.m. Saturday night potluck meal.

Speaking of the meal, hot dogs, hamburgers, lemonade, coffee, tea, water and utensils will be furnished by the club. Please bring a side dish, such as, a veggie, salad or dessert. This always makes for a good mix of food.

The Saturday lunch will be pizza furnished by the club and Sunday morning breakfast will be leftovers (if there are any).

Come and join the fun for good exchanges or just to watch the action and some good conversation.

... And Right On The Heels ...

Is PARC's 20th Annual Flea Market

Yes, that's right. It's PARC's 20th annual Flea Market. All have been organized by Rich and Jane Mehaffey. And what a great job they do with it.

The Flea Market is Saturday, July 8th from 9-12:30 at the St. Charles Hall in North Bend, NE. Vendor set up is 7:30. The Grand Prize is Hell Sound PRO7 Communication Headset and prize drawings every half hour.

Breakfast by Darlene's Diner is at 7:30 followed by lunch anytime after that. Have Fun!

File Added to ARRL Contest Tools Web Page

At the ARRL Contest Club Tools web page (www.arrl.org/contest-club-tools) we have just added a "[2017 ARRL DX Phone - Contest Club Membership Eligibility list for review](#)" Excel file for Contest Club inspection and comments.

This file contains submitted logs and Eligibility List data for the 2017 ARRL DX Phone (and CW) combined.

Again, that file link is [2017 ARRL DX Phone - Contest Club Membership Eligibility list for review](#)

This file has three sections:

- The first section (sorted by Club Name) shows member log-submission information (sorted by Call Sign) for clubs that submitted an Eligibility List prior to the event. Number of submitted logs is shown (a minimum of 3 logs is required to compete). The residence requirement (mileage or section) is shown for each club. Residence information is shown for each member, if provided. Members not listed on a club's Eligibility List are flagged.

If there is no call sign in column A (Contest Call), these members operated at a station participating as a multioperator entry crediting the club. Multioperator entries are subject to the rule requiring 50% club membership.

- The next section ("Ineligible Clubs") lists clubs for which an entry crediting the club was submitted, but the club had not submitted an Eligibility List.
- The final section ("Eligible Clubs") is a list of clubs that submitted Eligibility Lists showing when the **most recent** list was submitted.

Please review the file and have your members bring any questions to you or your responsible club official or secretary.

Upon your completed review, club secretaries or responsible officials may contact the ARRL Contest Branch to discuss any adjustments to their club's summary results. For example, the club may request ineligible members be removed from the club total. The member could be ineligible because they weren't on the submitted Eligibility List, their location did not satisfy the mileage requirement, or they didn't reside and operate in the club section. Multioperator scores might not be eligible if the 50% member requirement wasn't met.

Challenges to scores submitted for a club may be made by contacting the ARRL Contest Branch with your concerns.

Responses will be accepted until 2300 UTC, June 11, 2017, by email to contests@arrl.org
